Your Church Planters in the State of

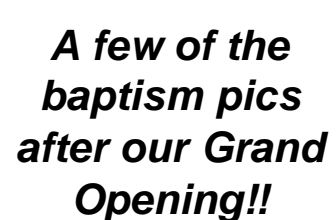

NEW MEXICO

May/June 2012

Dear Pastor, Church family and Friends,

It is with great joy that I write to you **about the results of our "Operation 10,000" and the Grand Opening service in our new building.** From our last prayer letter we had only 18 days to knock 10,000 doors for our Grand Opening service in our new location. I am thankful to God for the strength and endurance. **We invited 10,000 people and the results were amazing. The Lord blessed us with approximately 120 people for the Grand Opening service in our new location. We have had approximately 20 call on the Lord for salvation in recent weeks and over a dozen baptized.** Praise the Lord! If you don't think Old fashion door knocking works, please don't tell us. It still works! Amen.

We have several things planned over the summer months. We are focusing on our youth with teen camp and a youth conference. We have also added a teen Sunday School class. Also, the muslim that threatened us from the last prayer letter came back to visit our church. Please continue to pray for him. It is my hope to win him to the Lord Jesus Christ!!!!

A few of the baptism pics after our Grand Opening!!
