

December 2023

Dear Pastor & Church Family,

As we reflect on the swiftness of this passing year, our hearts are filled with gratitude to the Lord for His abundant blessings. We extend our sincere appreciation to you and your entire church family for your unwavering prayers and support. We want to take this opportunity to share our latest family prayer card with you.

It is truly an honor to continue serving the Lord as church planters here in New Mexico, along with helping reach the United States through the BSALT ministry. Fourteen years have swiftly gone by, during which the Lord has used us to establish three churches in New Mexico, start and direct the BSALT ministry that has benefited churches across 25 states, reaching over 600,000 homes with the gospel. Additionally, we started and host each year the only outdoor Campmeeting in the southern part of New Mexico, recently celebrating our 7th year.

Our fervor for the cause of Christ remains strong, and we look forward to expanding our efforts as the Lord opens doors. We are planning to turn over the church plant in Bayard next year. Your ongoing prayers are invaluable as we strive to plant more churches in New Mexico, share the gospel with the lost, as the Lord opens doors, and extend our outreach to the lost across the United States. As we witness the extraordinary challenges our nation faces, we believe there is an unprecedented need for church planting and spreading the gospel across our country. Together, we will press forward with your continued prayers and partnership.

If you are considering a stateside missions trip next year, we warmly invite you to consider visiting us in New Mexico. The need for church planters in the southwest has never been more critical, and your prayers for this specific need are greatly appreciated.

May you and your church family have a joyous Christmas and a new year filled with blessings. May the Lord's grace and favor abound in your lives.

The least of HIS servants,

Steven Sykes & Family
Church Planter in New Mexico
